Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

1. The reply filed on 06/04/07 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the Applicants failed to properly respond to the restriction requirements for the species. No election of species has been made. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

2. The amendment filed 06/04/07 is objected to under 35 U.S.C. 132(a) because it introduces new matter into the disclosure. 35 U.S.C. 132(a) states that no amendment shall introduce new matter into the disclosure of the invention. The added material which is not supported by the original disclosure is as follows: the whole amendment to the specification is improper, since the specification cannot be amended the way it is done for the Detailed Description of the Specification.

Applicant is required to cancel the new matter in the reply to this Office Action.
